New Orleans, La.

I suffered with catarrh for many years and got so deaf that I went about my Museum. Circus and Theatre giving directions and doing business with a big car-trumpet at the side of my head. It was very annoying to me and amusing to those who saw me. By the advice of physicians I sought the climate of the Sunny South, In six months I could see no change and was discouraged At this time I began using Chalmers' English Catarrh Cure. In three months I felt a new man, in six months my hearing returned. I refused to give a testimonial at once for the English Catarrh Cure. as I feared it was not permanent. But a year or more has now passed, and I can new heartily inderse Chalmers' English Catarrh Cure for the cure of catarrh and deafness.
